RATES

Explore the magic of Morocco on the banks of the Hennops River, just outside of Centurion. The Royal Elephant Hotel and Conference Centre is just over a 15-minute drive from Pretoria which features sights such as the Museum of Anthropology and the Pretoria National Zoological Gardens. Johannesburg is 45 minutes away by car.

We have gathered inspiration, stories, recipes, furnishings, and embellishments that represent the essence of Moroccan living, hospitality and creativity over the ages. Our hope is that each element, when arranged together at this magnificent retreat, will elicit emotions and sensations that will appeal to your soul, sweeping you along on your own secret journey at the Royal Elephant Hotel & Conference Centre.
