Big 5 Conferencing

Welcome

This Game Lodge situated on the Plumari Private Game Reserve in Magaliesburg, just over an hour from Johannesburg or Pretoria offers guests a memorable Big 5 wildlife experience within a malaria free environment. A range of wildlife-based teambuilding experiences makes this venue stand out from the rest, and is within easy reach of both Johannesburg and Pretoria.

Askari Game Lodge & Spa caters for meetings, conferences, teambuilding initiatives and training courses in both the main lodge and Day Visitors Centre. Spa relaxation is available to conference delegates after or during a day of meetings, or as a spa voucher reward for later use

“While frequenting Askari and hosting a national conference we could not have asked for much more” Michelev892 from Midrand describes her conference experience on Tripadvisor. “From the reception, functions, meals, menus and every staff member encountered, we couldn’t have asked for more. The staff were exemplary. Can’t wait to come again”.

Plumari Private Game Reserve is set within a pristine wilderness area of over 5000 hectares with natural African bushveld and an abundance of flora, fauna, birdlife and wildlife. Two game drives, each approximately 2 – 2,5 hours in duration, are scheduled daily. An elephant ‘touch and feed’ experience will make your conference unforgettable.

The main lodge, which is in fact the old Bodenstein family farmhouse, overlooks the Elephant Dam and invites guests to take a step back in time while admiring South African décor pieces dating back to the 1800’s. Slipper baths, a coal stove, wash stands, luggage chests, antique Oregon cupboards and tables are subtly placed within the four-star surrounding, to emphasize the captivating history of the Magaliesberg area.

Askari Lodge has one of the largest private collections of ox wagons, carts and other animal drawn vehicles from the period 1800 to 1900. A variety of items from the Boer War and San Bushmen rock carvings tell the history of the area, which is also known for the nearby Battle of Nooitgedacht. Examples are available in the museum, which is a popular venue for teambuilding or pre-dinner drinks.

The Day Visitors Center is abundant with African symbology, rich earthy colours and unique African décor focal points. All conference venues are based at the Day Centre and afford great views of the Magalies mountain range and reserve.

We look forward to hosting you and your team.

Regards, management and staff
