GETTING IN TOUCH WITH NATURE

Not everyone is cut out for stiff boardroom meetings. If you believe like we do, that being outdoors adds to creativity and clears the mind, then the tented camp is the answer to your conference prayers. We highly recommend that you hire out the entire tented camp for a day or two to secure exclusivity for your group, but if time is of essence we do provide further options.

Our tented camp is ideally situated at the foot of the Zwartkops Mountain in indigenous bush next to the Blaauwbank River. The tented camp at Glenburn Lodge is made up of 10 tents each accommodating between up to six persons and has its own toilets and warm showers, as well as a kitchenette. Electric blankets and a heater are available during winter for your comfort. All tents are strictly non-smoking.
