The extremely elegant and adaptable Plumari Heritage Museum is a cultural and historical hub. Situated within the Gala Hall, the museum boasts one of the largest private collections of ox wagons, carts and other animal drawn vehicles from the period 1800 to 1900.

BUSH BOMA

The Bush Boma situated in a forest is a lovely rustic set up inviting you to sit down and immerse yourself in the stillness. Red rocks from the farm were used to demarcate the area with a hip-height wall all around. The fire pit is surrounded by cut tree trunks and benches.
